

Dear Service Academy Candidate,

I'm privileged to nominate outstanding young residents of Pennsylvania's 4th Congressional District to the United States Service Academies. Each Member of each chamber of Congress, as well as the Vice President, is allowed five appointees to each U.S. Service Academy per year. For each of those five vacancies, I'm permitted to nominate no more than ten students.

Each of the U.S. Service Academies, except the Coast Guard Academy, requires a Congressional Nomination for admission. If you'd like to be considered for a Nomination, please complete this application packet. Due to the large number of applicants, all application materials must be submitted to my office by **close of business October 1, 2016.**

Throughout the Fall, I charge my 5-Member Academy Nomination board with helping me interview top candidates. This Board is comprised of active and retired Service Members who feel as strongly about the importance of this process as I do.

Please know that an application for a Nomination and application for an Appointment are two different processes that are required for admission to a Service Academy. You must visit each Academy's website to start your Appointment application.

The application process to a Service Academy is lengthy and detailed: **DO NOT DELAY.**

To reiterate, please remember that receiving a Congressional Nomination does not guarantee your appointment to an Academy. The final decision for Appointments is made by the individual Academy.

If you have questions throughout the Nomination process, please feel contact my York office (717-600-1919) for assistance. I thank and commend you for your interest in serving our Country and wish you well in this honorable endeavor.

Very Respectfully,

SCOTT PERRY
Member of Congress
4th District, Pennsylvania

Tips for Success

Congressman Scott Perry (PA-04)

1. Contact Each Academy Early: Contact each Academy in which you're interested through their website(s) as soon as possible to complete their pre-candidate questionnaire. Before your interview, you must have applied to each Academy for which you wish to be considered. If you initially qualify, the Academy(ies) will send you application materials. Each Academy begins to evaluate applications in early September of the senior year of high school.

2. Know the Academies: Spend some time familiarizing yourself with the history of each Academy—lifestyles, opportunities, purpose and Honor Codes. If possible, set up a personal tour by contacting the admissions office or by taking a virtual tour on each website. Academy summer programs are also a great opportunity available to high school students.

3. Take SAT/ACT Early: We strongly encourage you to start taking these tests in the spring of your Junior year. If necessary, re-take them to try to raise your scores; the Academies use test scores as a primary method of evaluating candidates. For more information concerning SAT/ACT tests and schedules, visit:

SAT: www.collegeboard.com

ACT: www.actstudent.org

The website www.March2Success.com is a free ACT/SAT prep tool provided by the Army and available to all students regardless of their interest in the military.

4. Meet All Application Deadlines: Due to the large number of applicants, ensure your applications are completed by the due dates. Deadlines for Nomination applications, Academy applications and ROTC applications are earlier than most other college admission programs, so start the process early.

5. Seek Nominations from More Than One Source: Due to the competitive nature of the Nomination and Appointment process, seek as many Nominations as possible. Be sure also to contact both Pennsylvania Senators and the Vice President of the United States. Presidential and ROTC Nominations have special application requirements and restrictions, so visit each Academy's website for details.

6. Practice Your Interview Skills: Most applicants have had little to no practice in interviewing for a job or position, so take some time to sit down with a parent, teacher, employer or mentor and have them ask you questions and evaluate your demeanor during the interview. A few practice interviews go a long way in helping you feel more at ease and communicate more clearly to the U.S. Service Academy Nomination Boards.

Tips for Success

Congressman Scott Perry (PA-04)

7. Request Letters of Recommendation: A good letter of recommendation should be from a person with whom you have a professional relationship. This person must be able to write about observed leadership skills, describe your adaptability to pressure situations, and discuss your ability to work with others in a team environment, as well as your leadership ability, activity involvement, etc. Remember: much more important than WHO you choose to write your letter is what that person is able to write ABOUT you—your abilities, strengths, and potential to succeed—rather than choosing someone based solely upon their social standing, position, and/or title. Bottom line: the writer should be someone familiar with you and can cite specific examples of your abilities.

8. Join Me at Academy Night: Each year I host a 4th Congressional District US Service Academy Night. We invite representatives from each of the Academies and ROTC programs to meet with interested candidates from across the District. This year's events follow:

Monday, APRIL 25, 2016

7-9:00 PM

Dallastown Area High School
700 New School Lane

and/or

Thursday, MAY 19, 2016

6-8:00 PM

Upper Allen Township Building
100 Gettysburg Pike
Mechanicsburg, PA 17055

9. DON'T GIVE UP! If your goal is to become an officer in the United States Armed Forces, don't give up if you're not selected for an appointment to a service academy. Approximately 25% of the cadets who enter each Academy class weren't accepted upon their first attempt. Improve your chances by continuing to improve your SAT / ACT scores, preparing yourself physically for the Candidate Fitness Assessment and taking advantage of any leadership opportunities.

Instructions for U.S. Service Academy Nomination

Congressman Scott Perry (PA-04)

For your nomination application to be complete, you must send items 1 - 5 to the York County District Office (see box below for address) **by close of business October 1, 2016:**

1) Complete Application for U.S. Service Academy Nomination

Type or neatly print your answers on the downloadable application. You will not be able to save your work unless you have Adobe Acrobat. For the essay questions, please limit your responses to 400 words.

2) Recent (within the year), wallet-sized photograph

3) Three letters of recommendation

You may select either a teacher, principal, employer, member of clergy, coach or scout leader to write a letter of recommendation/observation. Choosing someone who knows you well and has observed you succeed in a leadership position, classroom setting, character building situation or work environment *is critical*. Don't ask someone based upon title or social status, but who can attest to your character and accomplishments. Attached is a U.S. Service Academy Recommendation Letter, which you can make copies/hand out.

4) Official copy of high school transcript—must show class rank at the end of your junior year

5) Official SAT and/or ACT Scores

If your scores aren't included on your official transcript, you must include an official copy with your application. If you wish to designate my office to receive your scores directly, please enter the following reporting codes on your test forms:

SAT 2492

ACT 7653

6) Complete the Update for U.S. Service Academy Nomination Form

Bring with you for your Nomination Interview; it need not be updated by the 1 OCT deadline.

In mid-October, candidates with fully-completed nomination applications will be contacted to schedule a 30-minute interview with my U.S. Service Academy Nomination Board. Remember, only candidates with completed nomination applications will be scheduled for an interview—**WITHOUT EXCEPTION.**

Please call our York County District Office (717-600-1919) with any questions about your application. We're happy to help you through this process.

U.S. Service Academy Letter of Recommendation/Observation

Congressman Scott Perry (PA-04)

Give to a teacher, principal, employer, minister/priest, scout leader or coach.

Name of Applicant (Last First Middle)

The above named person is applying for a nomination from Congressman Scott Perry to one or more of the U.S. Service Academies. As a requirement for the nomination process, s/he has asked you to write a Letter of Recommendation/Observation.

The U.S. Service Academies provide a college education leading to a career as an officer in the Armed Forces of the United States. While at an Academy, the applicant will accomplish a highly demanding academic, athletic and military curriculum that provides little opportunity for free time. Cadets and Midshipmen are required to live under an Honor Code that does not tolerate lying, stealing or cheating; individuals who violate the Honor Code very often are dismissed from the Academies. An appointment to a U.S. Service Academy is equivalent to a 4-year scholarship valued at approximately \$425,000.

We are looking for candidates of the highest moral character, who have demonstrated strong leadership ability and who readily accept and embrace challenges both academically and physically. As you write your letter, remember the purpose of U.S. Service Academies is to develop future U.S. Military leaders. We have reviewed the applicant's academic and athletic achievements and are looking for specific examples of leadership and morale character one expects of a U.S. Military Officer.

Please describe one or two specific examples of when the applicant demonstrated leadership skills or faced a challenging situation that epitomized the applicant's character. To assist you in identifying examples of leadership and character, some attributes are listed below:

- Integrity
- Professionalism
- Adaptability
- Teamwork
- Competitive nature
- Initiative
- Respect for authority and difference of opinion
- Sensitivity for others
- Ability to accept criticism

Also, please include the following information in your letter:

- Address the letter to "Congressman Perry"
- Include your name, address and phone number
- State your relationship to the applicant
- State when/where you've observed the applicant
- Include how long you've known the applicant

DEADLINE:

October 1, 2016

To be considered for a nomination for the class entering 2017, your letter of recommendation **MUST BE RECEIVED** at the following address by October 1, 2016. NO EXCEPTIONS.
