

To All Prospective Service Academy Candidates:

I am pleased to have the privilege of nominating outstanding young residents of Pennsylvania's 4th Congressional District to the United States Service Academies. Each member of Congress, either in the House of Representatives or in the Senate, as well as the Vice President, is allowed five appointees in each U.S. Service Academy per year. For each of those five vacancies, I am permitted to nominate no more than ten young men or women.

All of the U.S. Service Academies, except the U.S. Coast Guard Academy, require a Congressional Nomination for admission. If you would like to be considered for a Nomination, please complete this application packet. Due to the large number of applicants, it is required that all necessary application materials be submitted to my office by **October 1, 2013**.

Throughout the fall, I will interview top candidates as part of the Nomination selection process. Understand that an application for a Nomination and an application for an Appointment are two different processes that are required for admission to a Service Academy. Visit each Academy's website to start your Appointment application.

Remember, the application process to a Service Academy is lengthy, so do not delay! Also, receiving a Congressional Nomination does not guarantee your acceptance to an Academy. The final decision for Appointments are made by the individual Academies.

If you have questions throughout the Nomination process, please feel free to contact my York office at (717) 600-1919 for assistance. Thank you for your interest and I wish you well in this endeavor.

Sincerely,

SCOTT PERRY
Member of Congress
4th District, Pennsylvania

Contact Each Academy Early

It is important to contact each Academy you have chosen through their websites as soon as possible to complete the pre-candidate questionnaire. Before your interview, you must have already applied to each Academy you wish to be considered for. If you initially qualify for eligibility, the Academy or Academies will send you application materials. Each Service Academy begins to evaluate applications in early September of the senior year of high school.

Know the Academies

Spend some time getting to know the Academies' history, lifestyles, opportunities, purpose, and Honor Code by researching each Academies' website. If possible, set up a personal tour of an Academy by contacting the admissions office or by taking a virtual tour on each Academy's website. Academy summer programs are another opportunity available to high school students. Once again, more information can be found at each individual Academy's website.

Take SAT/ACT Tests Early

You are strongly encouraged to start taking these tests in the spring of your junior year. Because the Academies use test scores as a primary method of evaluating candidates, it is highly suggested that you retake these tests several times to raise your scores. For more information concerning SAT/ACT tests and test schedules, visit their websites:

SAT: www.collegeboard.com

ACT: www.actstudent.org

The website www.March2Success.com is a free ACT/SAT prep tool provided by the Army and available to all students regardless of whether or not they are interested in the military.

Meet All Application Deadlines

Due to the large number of applicants, it is important to ensure your applications are completed by the due dates. Deadlines for Nomination applications, Academy applications and ROTC applications are earlier than most other college admission programs so start the process early.

Seek Nominations from More Than One Source

Due to the competitive nature of the Nomination and appointment process, you should seek as many Nominations as possible. Be sure to contact both Pennsylvania Senators and the Vice President of the United States. Presidential and ROTC Nominations have special application requirements and restrictions, visit each Academy's website for details.

Practice Your Interview Skills

Most applicants have had little to no practice in interviewing for a job or position. Take some time to sit down with a parent, teacher, employer or mentor and have them ask you questions and evaluate your demeanor during the interview. A few practice interviews will go along way in helping you feel more at ease and to communicate more clearly to the U.S. Service Academy Nomination Boards.

Request Letters of Recommendation/Observation

A good letter of recommendation/observation should be from a person with whom you have a professional relationship. The person should be able to write about observed leadership skills, describe your adaptability to pressure situations, and discuss your ability to work with others in a team environment. Remember, it is more important that the person you choose to write your letter understands your abilities, strengths, and potential to succeed rather than choosing a person solely based on their social standing, position, and/or title. Bottom line: the writer should be someone who is familiar with you and can cite specific examples of your abilities.

Join Me at 'Academy Night'

Each year I host a 19th Congressional District United States Service Academy Night. I invite representatives from each of the Academies and ROTC programs to meet with interested candidates from across the district. My next Academy Night will be Thursday, May 9th from 7 to 9 PM at Dallastown Area High School.

Don't Give Up!

If your goal is to become an officer in the United States Armed Service, then don't give up if you are not selected for an Appointment. Approximately 25% of the people who enter each Academy class did not get in after their first attempt. You can improve your chances by continuing to improve your SAT and ACT test scores, prepare yourself physically for the Candidate Fitness Assessment and take advantage of any leadership opportunities.

Also, if your goal is to become an officer in either the Air Force, Army, Navy or Marine Corp, take a look at the ROTC scholarship programs for each of these services. Links to each of these programs can be found below:

Instructions for U.S. Service Academy Nominations

Congressman Scott Perry (PA-04)

In order for your nomination application to be complete, you must send items 1 - 5 to the York County District Office (see box below for address) by October 1, 2013:

1) Complete **Application for U.S. Service Academy Nomination**

Type or neatly print your answers on the downloadable application. You will not be able to save your work unless you have Adobe Acrobat. For the essay questions, please limit your responses to 400 words per question.

2) A recent wallet-size photograph of yourself

3) Three letters of recommendation/observation

You may select either a teacher, principal, employer, member of clergy, coach or scout leader to write a letter of recommendation/observation. Choosing someone who knows you well and has observed you succeed in a leadership position, classroom setting, character building situation or work environment is critical. Therefore, do not ask someone to write a letter of recommendation based upon their accomplishments, but rather, someone who can attest to yours. Attached to this application are three **U.S. Service Academy Recommendation Letter** forms for you to give out.

4) Official copy of high school transcript

Your high school transcripts must show your class rank at the end of your junior year.

5) Official SAT and/or ACT scores

If your SAT or ACT report is not included in your official transcript, you must include an official copy of your SAT or ACT report with your application. If you wish to designate for my office to receive your scores directly, please enter the following reporting codes on your test forms:

SAT 2492

ACT 7653

6) Complete the **Update for U.S. Service Academy Nomination form**

Please complete this form with your updated information and bring it with you to my office for your Nomination Interview. This form does not need to be updated by the October 1st deadline.

In mid-October, we will call those candidates with fully-completed nomination applications to schedule a 30 minute interview with my U.S. Service Academy Nomination Board. Remember, only those candidates with completed nomination applications will be called for an interview.

Please call the York County District Office at (717) 600-1919 if you have questions about your nomination application.

U.S. Service Academy Letter of Recommendation/Observation

Congressman Scott Perry (PA-04)

To be given to a teacher, principal, employer, minister, priest, scout leader or coach.

Name of Applicant (First Middle Last)

The above named person is applying for a nomination from Congressman Scott Perry to one or more of the U.S. Service Academies. As a requirement for the nomination process, he or she has asked you to write a Letter of Recommendation/Observation.

The U.S. Service Academies provide a college education leading to a career as an officer in the Armed Forces of the United States. While at an Academy, the applicant will accomplish a highly demanding academic, athletic and military curriculum that provides little opportunity for free time. Cadets and Midshipmen are required to live under an Honor Code that does not tolerate lying, stealing or cheating. Those individuals who violate the Honor Code are very often dismissed from the Academies. An appointment to an U.S. Service Academy is equivalent to a 4-year scholarship worth approximately \$425,000.

We are looking for candidates of the highest moral character, who have demonstrated strong leadership ability and who readily accept and embrace challenges both academically and physically. As you write your letter, remember the purpose of U.S. Service Academies is to develop future leaders for the U.S. Military. We have reviewed the applicant's academic and athletic achievements and are looking for specific examples of when the applicant has displayed leadership and moral character traits you would expect of a U.S. Military Officer.

Please describe one or two specific examples of when the applicant demonstrated leadership skills or faced a challenging situation that allowed the applicant's character to show. To assist you in identifying examples of leadership and character, we have listed some attributes below:

- Integrity
- Professionalism
- Adaptability
- Teamwork
- Competitive nature
- Initiative
- Respectfulness of authority and difference of opinion
- Helpfulness to others
- Ability to accept criticism

Also, please include the following information in your letter:

- Address the letter to "Congressman Perry"
- Your name, address and contact phone number
- State your relationship to the applicant
- When and where you have observed the applicant
